**DITEM INCREASES \$1.5 MILLION BROKERED PRIVATE PLACEMENT
TO \$ 1,750,000**

NOVEMBER 28th 2006 Montreal, Quebec : On November 16th 2006, Ditem Explorations (TSX-V:DIT) announced a brokered placement of up to \$1.5 M.

As a result of circumstances, Ditem has now agreed to increase the brokered private placement from \$1.5 M to \$1,750,000 subject to the same conditions. Consequently, the only difference is in the number of shares to be issued which has been increased from six (6) million to seven (7) million.

The company will issue up to an aggregate of 7 million shares comprised of approximately 3.5 million flow-through shares at a price of \$0.25 and approximately 3.5 million non flow-through units at a price of \$0.25 with one-half warrant per share for non flow-through subscribers. Each full warrant will entitle the holder to purchase one common share of the Corporation at \$0.35 until a date that is 24 months after the Closing Date. The flow through share shares will not receive a half warrant. Quebec residents will be entitled to the full Quebec flow-through exemption.

The offering will be made to accredited investors, within the meaning of National Instrument 45-106, residing in the Provinces of British Columbia, Alberta, Ontario, and Québec, in reliance upon applicable exemptions from registration and prospectus requirements. The closing is expected to occur on or before December 8th, 2006, and is subject to the receipt of all the required regulatory approvals, including the approval of the TSX Venture Exchange. All the securities issued pursuant to the offering shall be subject to a hold period of four months from the date of closing. A finders fee equal to 8% of the gross proceeds, as well as broker warrants equal to 10% of issued units at \$0.25, will be payable by the Corporation to Bearbeech Capital Partners Corporation.

The proceeds from the private placement will be used by Ditem for exploration primarily on the Otish Mountain Property in Quebec, the Beartooth Island Project in the Athabasca Basin of Saskatchewan and the Cree Lake Property also in the Athabasca Basin of Saskatchewan, as well as for general working capital.
